

# Maptime Amsterdam

Maptime Amsterdam is a monthly map hack night hosted by Waag Society. We meet once a month on a Wednesday to work on maps, learn about geospatial data, and teach each other the latest cartographic tools.

Want to learn how to make beautiful maps? Let's do it together! **Beginners very welcome!**

<http://maptime.io/> • <http://code.waag.org/maptimeAMS>

**waag society**

This project has received funding from the European Union's Seventh Framework Programme for research, technological development and demonstration under grant agreement no. 285248.
